

John Sieber gains new position at Smith-Midland

Officials at Smith-Midland Corporation recently added a member to their senior staff. John Sieber began working as the general manager of Concrete Safety Systems approximately two months ago.

Concrete Safety Systems is

a wholly owned subsidiary of Smith-Midland Corp., responsible for renting the patented J.J. Hooks Highway Safety Barrier System for highway safety and homeland security applications.

John brings strong people and organizational skills to our team and will be a tremendous addition as we re-launch the rental barrier and buy-back barrier program of Concrete Safety Systems, said Ashley Smith, vice president for sales and marketing.

Sieber served previously as vice president of Meadows Farms, Inc., where he worked for 28 years.

Smith-Midland Corporation is a publicly traded company. Smith-Midland develops, manufactures and sells a broad array of precast concrete products for use primarily in the construction, transportation and utilities industries. Smith-Midland has two manufacturing facilities located in Midland, and in Reidsville, N.C. For more information call (540) 439-3266 or visit www.smithmidland.com.
